Economic Development News

Corona's Economic Development Department is your Business Partner

The City of Corona has an Economic Development Department at City Hall specifically designed to be a liaison between the city government and the business community. The function of Corona's ED Department is to bring business to the City, help it thrive and to create new businesses and jobs for our community. Economic Development (ED) is the process of building a strong, sustainable, adaptive local economy. It is the engine that helps cities grow and thrive while building a healthy quality of life for its citizens.

Corona's ED Team has cultivated important connections with entities such as the Riverside County Economic Development Agency (EDA), Corona Chamber of Commerce, U.S. Department of Commerce, Naval Surface Warfare Center, March Joint Powers Authority (JPA), CA Department of Tax and Fee Administration (formerly Board of Equalization), Governor's Office of Business and Economic Development (GO-Biz), Center for International Trade Development (CITD), California Manufacturing Technology Consulting (CMTc), the Small Business Development Center (SBDC), and local colleges/universities, to name a few.

Economic Development Department can help you with:

- Business relocation and expansion (into and around Corona)
- Assistance with the permit process
- Connection to resources – such as capital, investors, supply chain and business incentives
- Business outreach and continuing education/workforce development and training
- Business resource connections

Corona's ED Department is particularly focused on manufacturing and tech businesses. The ED Team is committed to attracting and growing companies in Corona that will allow our residents to live, work, and play in town.

City Resources

The City of Corona offers an abundance of resources to help simplify, facilitate and improve the quality of life for residents. Take advantage of these resources, today!

Animal Shelter Services

The Police Department's Animal Services & Enforcement section provides quality service and protection to our community by promoting a safe, healthy, and caring environment for lost, stray, or homeless animals. Each year, the Animal Shelter cares for thousands of animals in need of new homes and encourages the adoption of shelter animals. All adoption fees include the cost of surgical sterilization, as well as the first basic vaccinations (excluding rabies). You are invited to visit our animal shelter to select a pet from our companion animals available for adoption. We also offer microchipping services and a rabies prevention and control program, which includes the licensing of all dogs four months of age and older. Corona residents may purchase dog licenses for dogs that have been vaccinated against the rabies virus at the Corona Animal Shelter, or at www.CoronaCA.gov/Animals.

accommodate most public and private events. From birthday parties and baby showers to business meetings and theatre productions, we have the perfect place to meet your needs. Interested in having a picnic? Rent a picnic shelter at one of the City's many parks and enjoy the day with family and friends or host a "field day" as team-building for your organization. Our facilities are conveniently located, reasonably priced, and attended by our helpful staff to ensure your event flows smoothly. To learn more about City facilities you can rent, please visit the Recreation Services pages at www.CoronaCA.gov/Recreation or call (951) 736-2241 to arrange a tour.

Garage & Yard Sale Requirements

Did you know a permit is required in order to conduct a garage or yard sale in Corona? The City allows only three (3) sales per year per applicant or location. Display of sale items should not block the sidewalk, parkway, or any area within the public right-of-way, as this could be a health and safety hazard. No more than two signs are allowed on the sale premises, and no more than two additional signs off premises. Be sure to get permission from the property owners where signs are placed. Do not place signs on utility poles, light poles, utility boxes, stop signs, or mail boxes, and don't forget to remove your signs after. Failure to do so may result in a citation. When applying for a permit, be sure to list the personal items that you will be selling and post your permit on the premises of the sale while in progress. You can purchase a permit in person by visiting City Hall (400 S. Vicentia Ave.) or online by visiting www.CoronaCA.gov/Permits. To report an illegal garage sale after hours or on weekends or holidays, please contact the Police Department at (951) 736-2330. Good luck with your sale!

Corona Military Banner Program

The City's Military Banner program recognizes and honors Corona residents and their immediate family members (spouse, child, parent, legal guardian, or sibling) who are serving on active duty in the United States Armed Forces. For the purpose of this program, active duty is defined as 12 months of continuous service. To participate in the program, download and complete the application from the City's website at www.CoronaCA.gov. Please be sure to include proof of residency such as a current utility bill or driver's license listing a Corona address. Banners can be designed with the serviceperson's picture or without it and are installed twice a year in May and November along Main and Sixth Street.

Passport Services at the Library and the Circle City Center

If you need a new passport or want to renew an existing document, visit the passport office at the Library or the Circle City Center. Sign up for FREE CPR Training and the PulsePoint Mobile App

In less than two hours, you can receive free CPR Training from Corona Fire Department Firefighters and Paramedics! Register for a free CPR Training class by visiting www.CoronaCA.gov/Fire and clicking on the Fire Department tab. Click on the CPR Training tab and you will be directed to the CPR webpage where you can read about our program and have the option to register online. The CPR Training you learn can save a person's life. Please note that this is a training course and not a certified course. For any questions regarding the CPR Training Program please contact Corona Fire Department Headquarters at (951) 736-2220.

Have you downloaded PulsePoint? Get the free app on the iTunes Store or Google Play. Be the first to know! The PulsePoint app alerts CPR-trained citizens of cardiac events nearby so they may provide CPR while help arrives. The app also has a live stream of the latest Corona Fire incident response, so you can stay informed on what is happening in your city!

Free Teen Driver Safety Program: Drive 4 Life

This free program is designed by the Corona Police Department Traffic Collision Team to educate young drivers on the causes and prevention of traffic collisions. This life-changing program brings traffic safety awareness to teen drivers through interactive lecture, guest speakers and multi-media presentations. Topics covered include drunk driving, speeding, street racing, seatbelts, traffic court, and driving laws. The four-hour course is offered on a quarterly basis at the Corona Police Department (730 Public Safety Way). Parents are encouraged to attend and seating is limited. For more information or to register for an upcoming class, please visit www.CoronaCA.gov/Police or call (951) 736-2355.

Have you heard about Quick Response Code Stickers

The Vial of Life is an emergency preparedness program that allows citizens to compile personal information and have it readily available for 9-1-1 responders in the event of an emergency. The Vial looks like a prescription pill bottle, but contains

an individual's health information including the name and contact information of a primary medical provider, existing health conditions, allergies, and medications the individual might take. Once completed, the sheet is placed in the Vial and stored on the top shelf of your refrigerator door. A magnet, provided with the Vial, is placed on the upper right corner of the refrigerator to alert emergency personnel that the household participates in the program.

The Vial of Life program is now augmented with Quick Response (QR) code stickers. These QR codes are scannable with any smartphone and can give firefighters instant access to your medical profile. To take advantage of this helpful program, pick up your personal QR code sticker packs and Vial of Life at any Corona Fire Station or Corona Fire Headquarters. Each kit comes with 4 vinyl stickers, all with the same ID and PIN to be used to access one profile. Then, go to www.GetMyID.com and click on Sign Up to create a MyID profile, an online medical profile that can be accessed anywhere. Many use it to manage personal medical information and clearly communicate important information to health care providers. MyID profiles are free, and you can add as many profiles as you want. Make an account for yourself, your senior parents, and/ or your children. Finally, use the ID and PIN found on your stickers to link your personal stickers to your MyID profile.

This could help save your life, or the life of someone you love! For more information go to www.CoronaCA.gov/Fire.
